Dear Mr. Tobias:

On April 8, 2019, you filed a Freedom of Information Act (FOIA) request seeking the following:

Any and all records (including email attachments, Google Documents and handwritten notes) related to David Bernhardt's July 9, 2018 meeting titled "Mtg. w/ CA water Districts on CVP Reconsultation" More information about this meeting can be found in Mr. Bernhardt's so-called "daily card" for the date listed above.

On April 10, 2019, we acknowledged your request and advised you of your fee status under the FOIA. We are writing today to respond to your request on behalf of the Office of the Secretary. Please find attached one file, consisting of 16 pages, which are being released to you in their entirety.

There is no fee for the processing of this request. This completes the Office of the Secretary's response to your request.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. *See* 5 U.S.C. § 552(c). This response is limited to records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

The 2007 FOIA amendments, the Office of Government Information Services (OGIS) was created to offer mediation services to resolve disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation. You may contact OGIS in any of the following ways:
